179 make it to the AYLC 2012 Panel Interviews

809 started. 709 screened. **179** make the cut!

After going through a series of screenings under this year's more rigorous selection process, 179 student leaders from the different schools and universities all over the Philippines emerge as qualifiers for the **14th Ayala Young Leaders Congress (AYLC 2012)** Panel Interviews on November 22-24, 2011.

Held every year at Ayala Corporation's headquarters in Ayala Tower One in Makati City, the Panel Interviews is the final stage of screening. Top executives and HR personnel from the Ayala Group of Companies compose panels that will choose the top 81 from the pool of interviewees. These 81 outstanding student leaders get to move on as delegates to the Congress on February 7-10, 2012, at Alfonso, Cavite.

Coming forward with their leadership experiences and active involvement in their schools and communities, these 179 young leaders will vie for a spot in the Congress, where they will further develop their leadership skills and grow into servant leaders for this country. Already on its 14th year, the Ayala Young Leaders Congress is a concrete expression of the Ayala Group's commitment to national development.
